

SIMOKER CRAFT  
FIRST FAMILY OF BOATS

2006  
pontoon

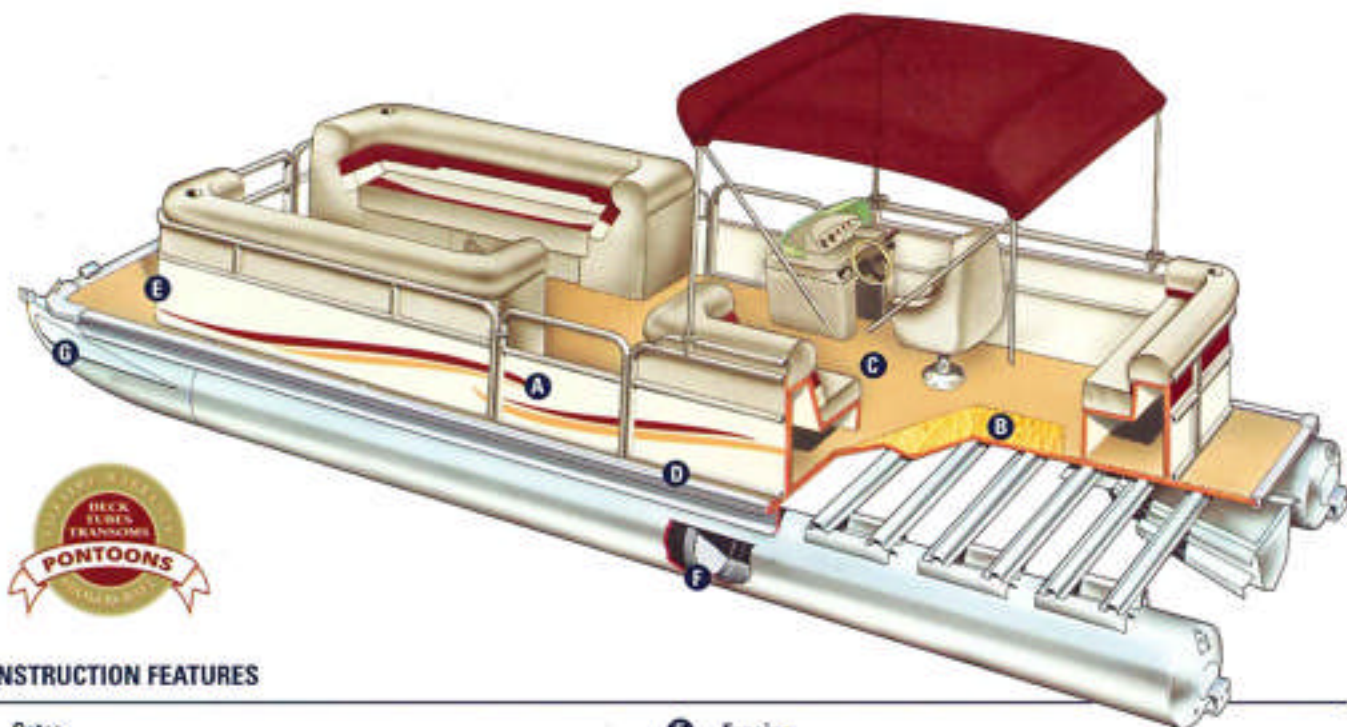

S-0525 CR RE

## THE S-SERIES. STYLISH. SOPHISTICATED. AND SIMPLY AMAZING.

Just imagine it — taking to the water in the ultimate luxury pontoon. Whether you choose the awe-inspiring hardtop or the spacious rear entry models, you'll experience performance you never dreamed possible in a pontoon. Aluminum bottom skin and 25-inch tubes come standard, while an optional tri toon allows you to notch up the horsepower and optional lifting strakes give you additional zip. Top-of-the-line amenities include 28-ounce sculptured carpet, a JBL® CD player with a 6-disc changer, four marine-grade speakers and a 10' bimini top (not available with hardtop).

## CONSTRUCTION FEATURES

- A Gates**  
For maximum safety, you'll find pinch-proof protectors and Fosi-Lock® latches on the gates of all our pontoons, as well as heavy-duty gate stops.
- B Deck**  
We have so much confidence in our floors that they carry a lifetime, transferable warranty. Every pontoon features 3/4" MarineTech FTP 7-ply pressure-treated plywood that won't warp or rot. And the floor is securely through-bolted and screwed to the hat channels for a powerful hold.
- C Carpet**  
Our seamless plush pile carpet (up to 32 oz.) is made of 100% U.V. stabilized polypropylene and has a five-year warranty. For extra durability, we bond it to the deck with marine adhesive and 200 lbs. of rolling weight, while stainless steel staples secure it to the perimeter of the deck.
- D Spacers**  
Our pontoons feature 3/8" spacers between the fence bottom and the deck, allowing water to drain easily and cutting carpet drying time in half.

- E Fencing**  
Your pontoon's fencing is as attractive as it is durable, thanks to the .030 grooved aluminum panels which are foam-backed to prevent rattling and feature supplemental cross members for added strength. Anodized railings serve to prevent the buildup of unsightly black residue.
- F Tube Construction**  
Because so much is riding on the tubes, we back ours with a lifetime warranty. Unlike other manufacturers', our tubes are heavy gauge (.080) with welded chambers to keep the pontoon afloat even if a section becomes punctured, and they feature rear anti-electrolysis drain plugs for easy draining. In addition, our air-filled tubes make the pontoon lighter, giving you more power and better fuel economy.
- G Nose Cone**  
Our nose cone knives cleanly through the water, with two 13" fins deflecting water away from the boat, giving you a smoother, drier ride. The anti-puncture skid bar runs the entire length of the tube for added protection and steering control. And an extruded aluminum cap adds strength to the cone and protects you from sharp edges.

### "V" Transom

Our all-aluminum "V" transom carries a lifetime warranty and is designed to reduce spray and prevent cavitations in turns. Fins work to provide the optimum lift for better water flow and faster speeds.

### Full-Length Keel/Skid Bar

Our tubes feature a 1/2" aluminum keel running the full length of the tube. This provides maximum protection for the tubes while trailering and serves to deflect debris, enhance steering and help prevent drifting.

### Aluminum Bottom Skin

Select pontoons feature our aluminum bottom skin, for a smoother glide that helps your engine operate more efficiently and saves you fuel, even at higher speeds.

### Lounge Furniture

The comfort and durability of our lounge furniture starts with reliable rotocast bases which provide dry underseat storage areas. Our thick foam padding is treated with blockite, and our 33 oz. high-grade marine vinyl features a stain-resistant topcoat that protects the beauty of the furniture for years to come.

**NOTE:** Because weight distribution is extremely important when operating a pontoon boat, passenger weight should be distributed evenly for best overall performance. Also keep in mind that a four-stroke engine is much heavier than a two-stroke engine, significantly increasing the weight load in the stern. Check with dealer for performance evaluation and weight differential for four-stroke and two-stroke engines.

### Cross Channels

There's no substitute for a strong foundation — and that's what you get with our 8" (or 8.5") x 6" x 1/8" aluminum hat channels. They are double through-bolted onto deck risers every 24" for exceptional support and structural integrity, and they actually double the amount of Z-channels used in other pontoons.

## FROM PRE-DAWN FISHING TO MOONLIGHT CRUISES AND EVERY SANDBAR IN BETWEEN.

You can't beat a pontoon for do-it-all, take-everyone versatility. And nobody beats Smoker Craft when it comes to quality and value. For three generations, our family has focused on putting more into our boats so you get more out of them — and that means countless innovations and safety features. Our 2006 lineup offers a wide range of models designed to fit your needs and your budget. So here's wishing you bigger fish, brighter stars and plenty of fun-filled days. In a Smoker Craft pontoon, everything's possible.

### TOPS, CURTAINS AND COVERS

To help you make the most of your time on the water, we offer a wide range of tops, curtains and covers. For pontoons, the bimini and double tops provide maximum protection from the sun, while the full camper enclosure features windows you can open and close. The playpen cover keeps leaves, twigs and other debris out of the boat.

#### Value Package

(Available on M-Series) Includes: windscreen, docking light in module, cooler, boarding ladder and deck cleats.

#### Luxury Package

(Available on selected M-Series models) Includes: windscreen, docking lights in module, boarding ladder, deck cleats, cooler, windscreen, JBL® CD player with four speakers, 28 oz. sculptured carpet and single deluxe recliner seat.

#### Performance Package

(Available on S-Series, M-DLX Series and selected M-Series models) Includes: performance tubes, hydraulic steering, ski tow and trim gauge.

## S-SERIES

### FEATURES:

- DRIVER'S CONSOLE:**  
At the helm, you'll enjoy the sharp, sports car-inspired styling of the console and steering wheel.
- BOW SEATING:**  
(8527 CR RE HT) You'll have plenty of room to gather in the bow seating area of the S-Series. A table with cup holders and a marine cooler is always within your reach.
- LIGHTED CHROME CUP HOLDERS:**  
These deluxe beverage holders are out of the way, but not out of sight, thanks to the recessed lighting.
- CHANGING ROOM:**  
You're free to enjoy long days on the water with many different activities, thanks to the convenient changing room.
- BAR OPTION WITH STOOLS:**  
(available only on 8527 CR RE HT, 8527 CR RE and 8525 CR RE) This exciting new addition gives you the perfect place to serve food and beverages.

## THIS'LL SPICE THINGS UP.

Our recipe for the M-DLX Series? Start with a great pontoon and give it an extra boost of stylish features. Upgrades include the full fiberglass console with gauges, a JBL® CD player with four speakers and an optional satellite radio. There's additional seating, too, thanks to our space-saving corner gate and large L-group lounge seats. The M-DLX Series also sports our unique powder coated fence rails, as well as our insulated fence panels and Posi-Lock® gates. Looking for an affordable pontoon with all the bells and whistles? The M-DLX Series is the perfect choice for you.

## M-DLX SERIES

### FEATURES:

- DRIVER'S CONSOLE:**  
At the wheel, you'll enjoy the sporty dash with full instrumentation panel.
- SEATING:**  
All models have room enough to seat your family and friends comfortably.
- CONVERT-A-TABLE:**  
This remarkable feature allows your corner seating to double easily as a convenient table top.

## **WE'RE REDEFINING THE PONTOON. ONCE AGAIN.**

Welcome to the new generation of pontoons — well-equipped for all your favorite activities. Whether you enjoy fishing, cruising or tow sports, the heart of our lineup has the right package for you. Our finishing touches are head and shoulders above the rest and include powder coated rails, anodized deck trim, polished castings and rounded fronts. You'll also enjoy a 24-gallon built-in fuel tank for fewer pit stops. And for serious anglers, the 8520 Fish model comes standard with two bass seats and a built-in livewell.

  
**SMOKER CRAFT**  
 2006 PONTOONS

**M-SERIES**

**FEATURES:**

1. **DRIVER'S CONSOLE:**  
The custom-molded console is roomy and comfortable and features an automotive-style dash. The windscreen, shown here, makes an excellent option.
2. **UNDERSEAT STORAGE:**  
You'll find plenty of dry storage space for life jackets, fishing gear and water toys underneath the seating.
3. **LIVEWELL:**  
All M-Series Fish models feature a built-in livewell to help get the catch of the day home safely.
4. **CARPET:**  
The M-Series features 22 oz. sculptured carpet with a five-year warranty.

## **OUR REPUTATION IS BUILT ON PLEASANT SURPRISES.**

For three generations, we've specialized in exceeding your expectations — with our high-quality construction and our outstanding value packages. Not only do we put the excitement of a pontoon well within reach, we offer some pretty impressive details — from rotocast furniture bases and high-grade marine vinyl to heavy-duty gate stops and heavy gauge tubes. Plus, you can count on a lifetime warranty for your pontoon's deck, tubes and transom. Yes, in a Smoker Craft M-Series you'll definitely get more than you bargain for. And we wouldn't have it any other way.
