## Warranty Transfer for 2012-2014 boats

The lifetime coverage of Limited Lifetime Structural Hull Warranty extends only to the first retail purchaser and is not transferable. The Limited Structural Hull Warranty may be transferred by the first retail purchaser once, to a second retail purchaser, but upon transfer, it will expire ten (10) years from the date of original purchase by the first retail purchaser, as reflected in Smoker Craft, Inc. records. The Limited Six Year Parts and Components Warranty may be transferred by the first retail purchaser once to a second retail purchaser. To activate a transfer under this Limited Warranty, the second retail purchaser must have the boat inspected by a Smoker Craft, Inc. dealer within thirty (30) days of the purchase of the boat. A transfer fee of \$300 will apply to the new boat owner. Smoker Craft, Inc. reserves the right to reject any warranty transfer request, including those for a boat that has been damaged, neglected, or otherwise previously excluded from warranty. There will be no cosmetic items, no damaged items and no wear items covered.
