SMOKER CRAFT

EACH GENERATION IS A TRIBUTE TO THE LAST.

S M O K E R C R A F T

For three generations, the Smoker family has built boats for water-loving families across the country. This year's line-up includes some of the best features in the industry — from the Hydra-Lift hull on the 16' and 17' Millentia to the 182 Ultima's redesigned interior to the Sunsport's exciting new amenities. So take a closer look — there's a Smoker Craft for you and *your* next generation.

19 MILLENTIA DC

Length	18'10"	Maximum Persons	8
Beam	36"	Maximum Capacity lbs.	1750
Depth	38"	Maximum Horse Power	*175
Interior Depth	27"	Bottom Gauge	0.125
Transom Width	36"	Side Gauge	0.086
Transom Height	EX13	Rib Gauge	0.125
Dry Weight lbs.	1450		

Our lighted, aerated livewells come with timers, recirculating pumps and convenient control switches for easy operation. Foam-backed lids provide superior insulation.

Our Hydra-Lift hull features a specialized reverse chine design that gets you on plane faster and provides a dryer, steadier ride with less bounce and better support while turning.

Our exclusive Advanced Integrated Rib System features a rock-solid structure of hand-fitted, hat-shaped ribs for tremendous longitudinal strength and rigidity.
