Smokercraft

BUILDING A LEGACY

FOR THREE GENERATIONS.

At Smoker Craft, our heritage in the boat-building business goes back three generations. And today, our family-run company continues to produce high quality, feature-packed boats for families like yours. Our pleasure craft line-up includes luxurious pontoons, stylish deck boats and sporty runabouts — all with a wide range of packages to suit every need and every budget. We pride ourselves on our reputation for innovative designs, reliable construction and top-of-the-line materials. And, we back our boats with some of the best warranties you'll see anywhere.

In today's world, family is more important than ever. And we believe that boating — at our lakes, parks and rivers — offers the best way for families to spend quality time together. So this summer, surprise your family with a new Smoker Craft pleasure boat. And discover the full value of our family's commitment to craftsmanship.

Pictured above from left to right:
Barney Smoker (Founder), Phil Smoker (Grandson),
Doug Smoker (Son, Vice President), Tim Smoker (Grandson).

When families work together for over 25 years, it is clear that mutual respect is the unwritten law. The legacy of the Schrock and Smoker families is over seven generations of experience in the art of boat building. Our world is ever changing, but the stability of Smoker Craft is unprecedented. We invite you to join our boating families and be part of "America's first families of boats."

MERCURY
 The Water Calls

COMMITMENT RUNS IN THE FAMILY.

For three generations, the Smoker family has been committed to building high quality, feature-packed boats for water-loving families across the country. Your Smoker Craft fishing boat is the result of the best ideas in design and engineering. Peel back the layers and you'll find that every detail is constructed to give you the ultimate in safety, comfort and control.

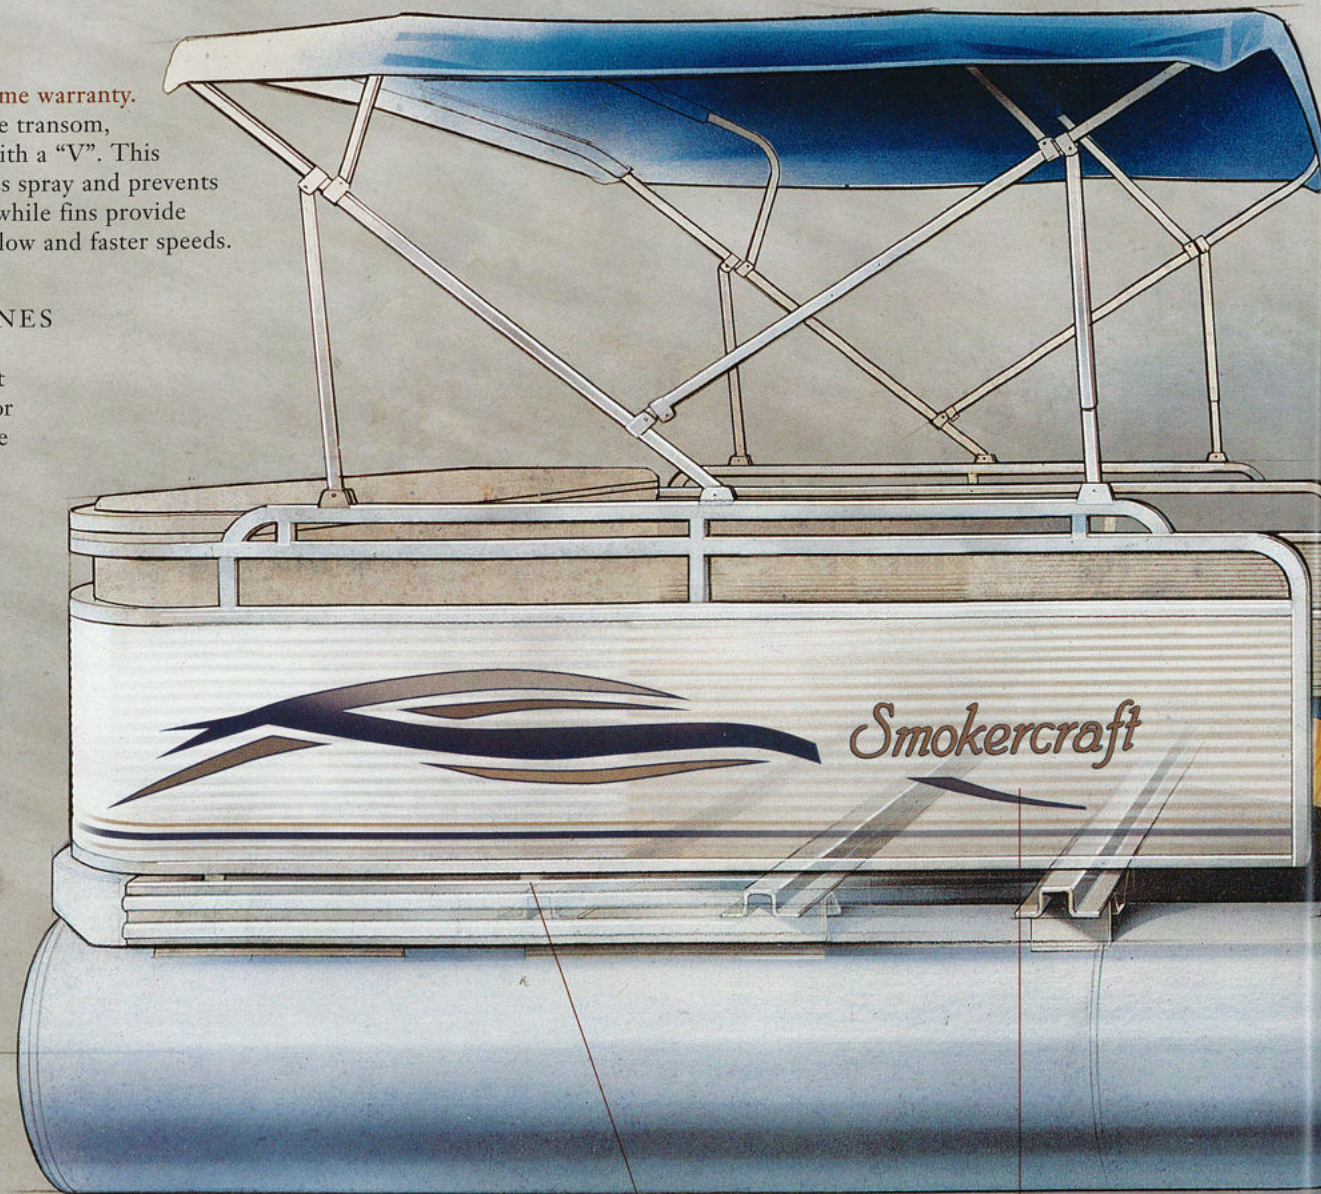

ALLOW US TO SHOW YOU

"V" TRANSOM

All-aluminum. Lifetime warranty. When it comes to the transom, performance starts with a "V". This special design reduces spray and prevents cavitations in turns, while fins provide lift for better water flow and faster speeds.

YAMAHA ENGINES

The choice is yours. To ensure that you get the power you want for your Smoker Craft, we offer a full line of Yamaha® outboards.

CROSS CHANNELS

8' (or 8.5') x 6" x 1/8" aluminum hat channels. Double through bolted onto deck risers. Our pontoons get their strong foundation from aluminum hat-shaped cross channels which are secured to the deck risers every 24" for exceptional deck support and structural integrity. These actually double the amount of Z-channels used in other pontoons.

FULL-LENGTH KEEL/SKID BAR

Full-length 1/2" aluminum keel. One great idea – four reasons why. Our full-length 1/2" aluminum keel protects the tubes while trailering, deflects debris, enhances steering & control and helps prevent drifting.

ALUMINUM BOTTOM SKIN

Our aluminum bottom skin allows your pontoon to glide smoothly across the water, helping your engine operate more efficiently and saving you fuel, even at higher speeds.

SPACERS

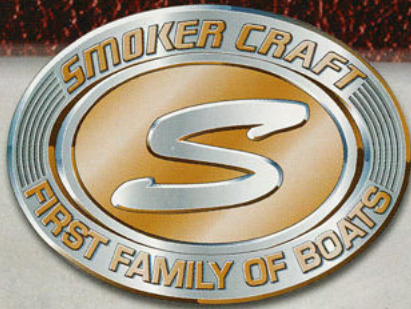

3/8" from deck. Increases airflow. Prevents dirt, mold and mildew from collecting. Since everyone's happier in a drier boat, we've put spacers between the fence bottom and the deck to allow water to drain off easily and cut carpet drying time in half.

FENCING

Aluminum panels (.030) are grooved and foam-backed. Anodized 1 1/4" railing. Baked-on paint. The little things make a world of difference. Like foam-backed panels to prevent rattling. Supplemental cross members for added strength. And anodized railings to prevent unsightly black residue and keep that show-room shine.

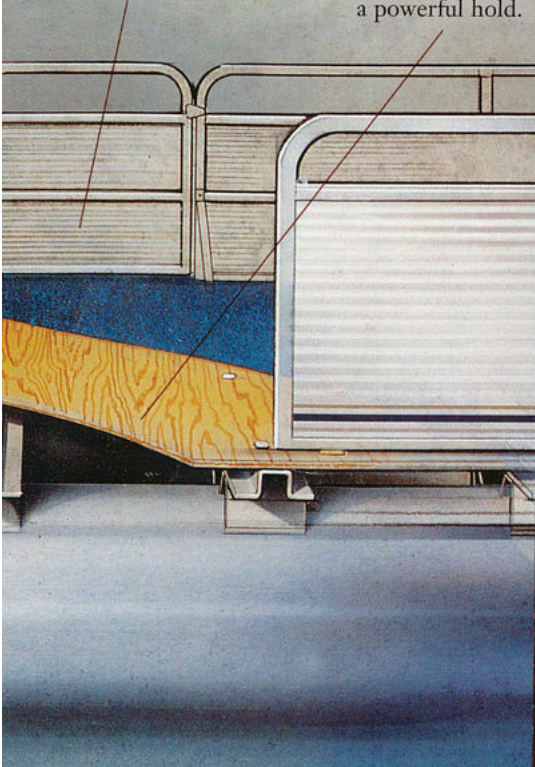

COVER & ENGINE OPTIONS

PONTOON & FIBERGLASS

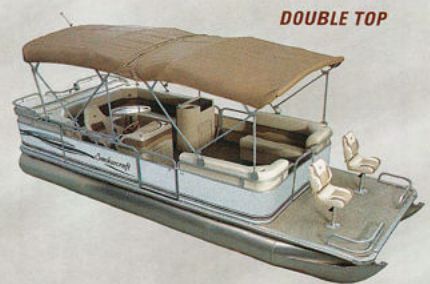

GATES
 Posi-Lock® latches.
 Pinch-proof protectors.
 For everyone's safety, our gates feature Posi-Lock® latches. And we've also added pinch-proof protectors between the gates and the rails.

DECK
 Marineteck PTP treated plywood. I transferable warra Every pontoon flo 3/4" pressure-trea that won't warp or is securely screwed bolted to the hat c a powerful hold.

TOPS, CURTAINS AND COVERS

To protect your pontoon and maximize your fun, we have covers for every situation. The Playpen cover snaps easily to the top fence rail, keeping leaves, twigs and other debris out of the boat. Get the right amount of shade with our Bimini Top and Double Top. And, you can even turn your pontoon into your own personal campground with our Camper Top, featuring windows you can open and close for privacy and protection from the elements. Our fiberglass runabouts come standard with a color-coordinated Convertible Top, and many models offer optional side and aft curtains, as well as bow and mooring covers.

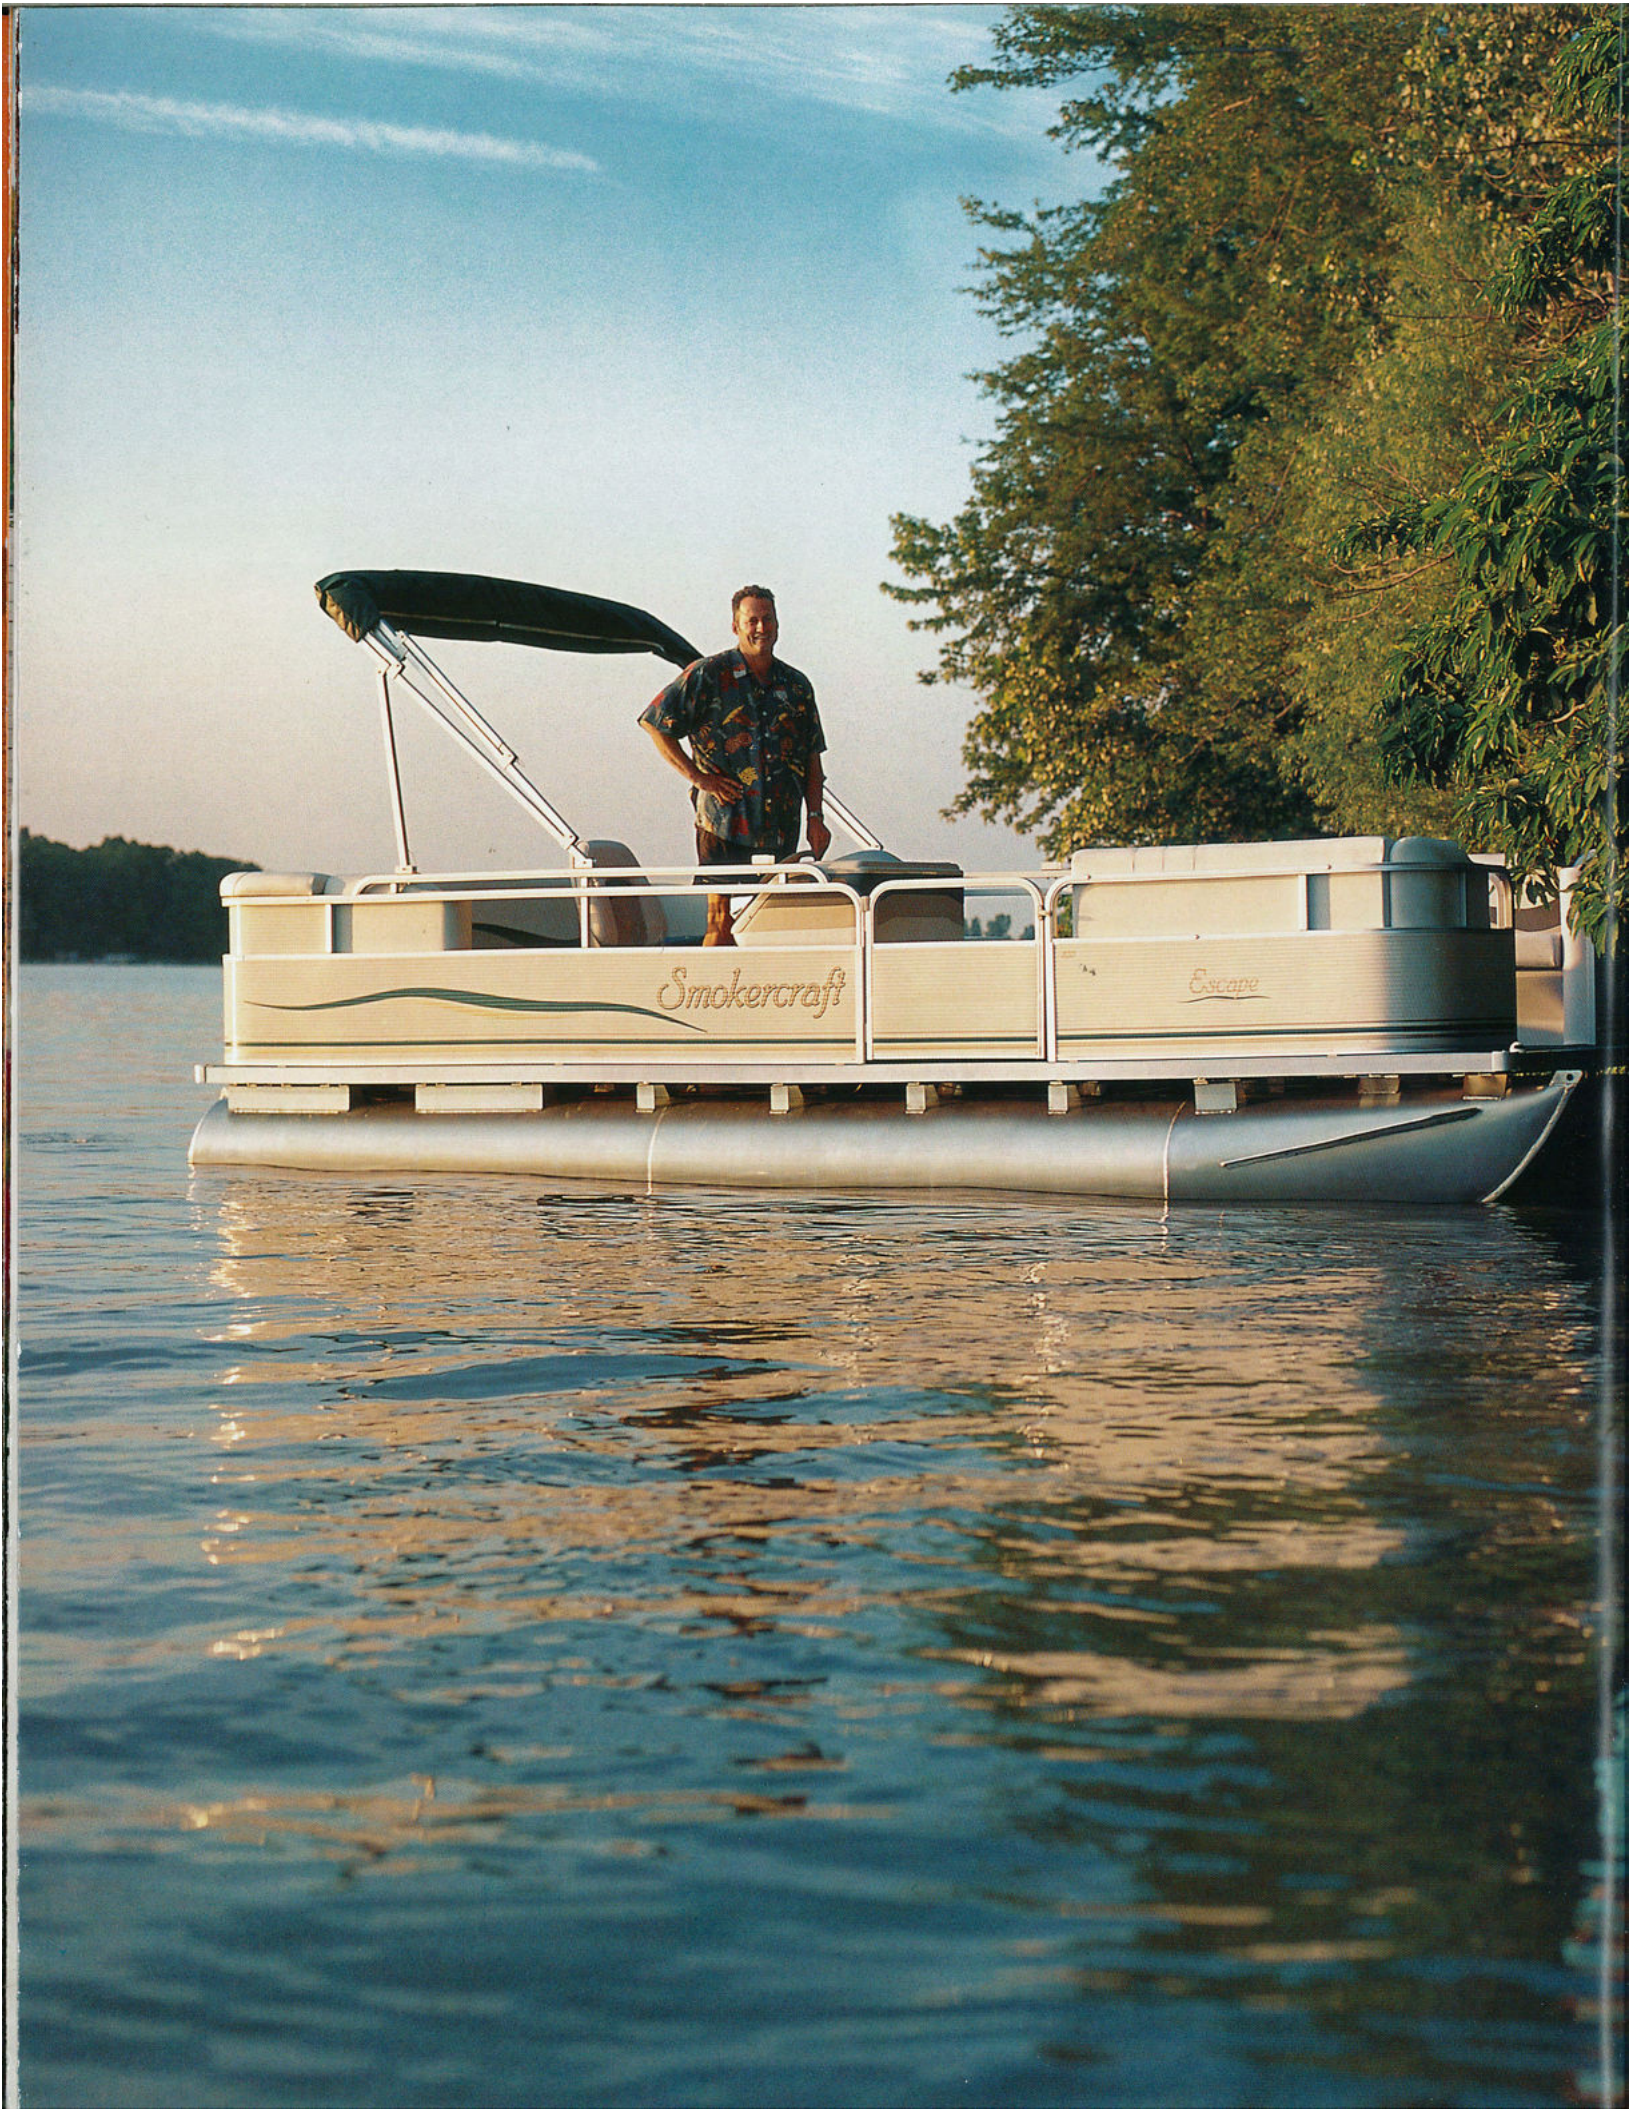

LOUNGE FURNITURE
 Rotocast bases. Thick, 33 oz. vinyl treated with Stain Resistant Topcoat (SRT). Biocide treated foam.
 When it comes to furniture, you want comfort, durability and of course – good looks. And in a Smoker Craft, you get it all. Our reliable rotocast bases stand up to years of use and provide dry storage areas. Thick foam padding and high grade marine vinyl give you long lasting comfort that will stay bright and attractive season after season.

MERCURY ENGINES
 Smoker Craft is proud to offer a full line of reliable Mercury and MerCruiser power options.

MERCURY
 The Water Calls

NOTE: Because weight distribution is extremely important when that a four-stroke engine is much heavier than a two-stroke engine for four-stroke and two-stroke engines.

MERCURY
The Water Calls

BUILDING A LEGACY, YEAR AFTER YEAR.

Around here, our heritage is not something we take lightly. Why? Because for three generations, families like yours have spent their summers in a Smoker Craft. For us, that means three generations of trust. And three generations dedicated to giving you unmatched safety, comfort and control.

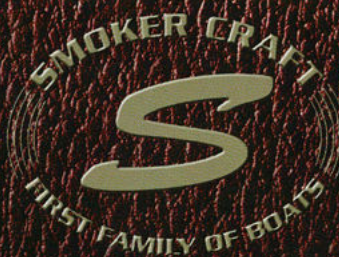

And this year's line-up is no exception. We offer a wide range of luxury pontoons, stylish deckboats and sporty runabouts — all with a variety of packages to fit your family and your budget.

So take a closer look at the newest generation of Smoker Crafts. How do we know there's one that's right for you? Because our family name is riding on it.

At Smoker Craft, we have a long tradition of building high quality, feature-packed boats.

www.smokercraft.com

The specifications of any Smoker Craft boat are subject to change without notice.
