## 2013 FISHING

# HERITAGE

## PRELUDE TO A PERFECT DAY.

This is the moment we dream of — at the launch, armed with the promise of a great catch. Maybe you're ready to enjoy some solitude. Or maybe it's "game on" with your best buddy. Or just maybe, you're showing the next generation a few of your secrets. Wherever and however you love to fish, you can be sure there's one boat that's loyal to your passion: Smoker Craft.

For five generations and counting, our family has been dedicated to building boats that deliver better experiences on the water. Our innovative hull designs provide quicker hole shots and smoother, drier rides. Once you've reached your favorite spot, you'll appreciate all of the great amenities

that help make the day a success. And most importantly, because we believe a great fishing boat should be within everyone's reach, you're sure to find a Smoker Craft to fit your budget.

For 2013, we've combined the wisdom of generations with new thinking and responsiveness to today's boat buyer. From loaded pro fishing V-hulls to bass boats to utility tillers — this lineup has your best choice for great days on the water.

## A HERITAGE OF CRAFTSMANSHIP

It all started in the 1930s when John Smoker produced his first redwood fishing boats in Goshen, Indiana. In 1964, the Smoker family led the way with advancements in aluminum fishing boat hulls. Now, five generations and nearly 50 years later, Smoker Craft is defined by its passion for innovation and quality. We invite you to join our family of owners spanning North America — fellow anglers who take to the water in boats that continue to be built and backed by our family.

182 Pro Mag • Mercury FourStroke 150 HP • Minn Kota Trolling Motor

### THE INDUSTRY'S BEST WARRANTY. PERIOD.

Only a company with the proven history and longevity of a brand like Smoker Craft can offer something like this:

Limited lifetime warranty on hull and structure

6-year warranty on all components, carpet, upholstery, and electronics

All parts and labor

Transferable to second owner

~ Shown with optional trolling motor and sonar unit ~

# CONSTRUCTION

- 1** The innovative **HYDRA-LIFT REVERSE CHINE HULL** drives water toward the stern, improving hole shots and keeping the bow down during planing.
- 2** An **INTEGRATED SPRAY RAIL** pushes water away from the hull for a drier ride.
- 3** **5-KEEL CONSTRUCTION** offers superior stability and handling, as well as greater protection for the underside of your boat.
- 4** Premium grade, 100% UV stabilized **MARINE CARPET** is attractive, durable and comes with a 6-year warranty.
- 5** Specially treated **XL 7-LAYER PLYWOOD FLOORS** will never warp or rot and carry a lifetime warranty.
- 6** A strong, solid floor is provided by injecting **URETHANE FOAM** into every cavity to eliminate water pockets and deliver maximum buoyancy and a quiet ride.
- 7** State-of-the-art **FLOW RITE LIVEWELL SYSTEM** continually draws in water and provides circulation and aeration. It drains through the transom for easy tank cleaning.
- 8** Competitors' double-plated aluminum doesn't compare with the **AIRS ADVANCED INTEGRATED RIB SYSTEM**, with hat-shaped ribs on 10" centers, for greater strength and rigidity.
- 9** Our **PREMIUM SEATING** is wood free and ergonomically designed for all-day comfort.
- 10** Take the helm of a Smoker Craft at our race car inspired **CONSOLE**, with features that include stylish fog-free gauge clusters, tilt steering, lighted rockers with breakers, premium audio with MP3 port and space for a sonar unit.
- 11** **CLEAN CURVE® WINDSHIELD** by Taylor Made Systems®

All boats using OBs greater than 125 H.P. should have dual or hydraulic steering.  
Some models shown with optional equipment, including trolling motor, sonar unit and snap-in carpet.

## TRADITION BEGINS WITH THE FAMILY.

It all started with our family's love for boats and the water. In 1961, the first Smoker Craft boat was launched, marking the beginning of a tradition of quality and craftsmanship that can be achieved only through the pride and attention to detail that a family-owned company can provide. Five generations later we continue to produce solidly built, top quality boats under the Smoker Craft brand. We invite you to experience the pride of ownership that comes with owning a great Smoker Craft fishing boat.
